Please call 800-452-9481 for current availability

1. **ACRA 5 Speed Heavy Duty Drill Press**, Model RL88DP558N. ½" Chuck capacity with MI 2-JT #33 Spidle. Single phase ½ HP electric motor, 110/220 Volt, 1720 RPM. This drill press is in excellent condition. Condition: Used. Location: Harrisburg PA. Free local pick-up or shipment can be arranged for additional cost. \$250.
2. **Airmatic twin piston air compressor** with Dayton 3 phase 5 HP electric motor, 230/460 volts, 1730 rpm and with single tank. Good running condition. Location: Harrisburg PA. Free local pick-up or shipment can be arranged for additional cost. \$1,500.
3. **John Wood Company twin piston air compressor** 200 psi with Lincoln 3 phase 5 HP electric motor, 230/460 volts, 1725 rpm and with single tanks. Good running condition. Location: Harrisburg PA. Free local pick-up or shipment can be arranged for additional cost. \$1,500.
4. **Dayton Model 3Z968 2 stage three piston air compressor** with 10 HP electric motor. Tank included. Very good condition. Location: Harrisburg PA. Free local pick-up or shipment can be arranged for additional cost. \$2,500.
5. **Blava Inline Model GCS-22750 38 high speed belt sheeter**. 22.75" cut off. Type: single cut or two around cut. Application: flat sheet delivery, folded products. Paper width: 20"....38". Paper stock 30....120lbs. Speed: 1600 ft/m, main drive shaft connection. Almost new condition as the unit saw very little use and sat idle for years. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$15,000 or best offer.
6. **Drexel Model SL 66 Fork Lift**. Manufactured in 2000. Charger included. 6,000-pound capacity. 48 Volt. 150 hours. Operator Type: Seated Rider. Fuel Type: Electric. Condition: Used. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$11,000.
7. **WALLACE 3 TON 3T24-S15AC STEEL TRI-ADJUSTABLE GANTRY CRANE** 15'1" TO 23'7" HEIGHT, 15' SPAN List price \$8,929. I-beam spans from 10' – 15' (up to 20' spans on 1 ton models only)
 - Adjustable span allows inboard or outboard bracing
 - Adjustable span allows cantilever configuration overhang limited to 25% of the I-beam length
 - Adjustable legs permit crane height adjustment at 6" increments
 - Legs can be set at different heights where floor or terrain is uneven-ideal for loading from truck dock to floor or from ground level to mezzanine
 - Adjustable caster tread to roll thru narrow aisles or doorways which prevents costly disassembly
 - Safety cable attached inside of caster frame tubes prevents overspreading when adjusting
 - Durable construction – high quality heavy gauge aluminum tubing is used
 - Self Aligning I-beam – Exclusive Wallace I-beam support system aligns off-center loads to avoid crane and trolley distortion
 - I-beam support system slides along the I-beam enabling leg spacing adjustments and cantilever configurations
 - Height Adjusting Bolts – Main legs are equipped with spring loaded bolts permitting crane height adjustment – they can be locked out until the desired height is reached, then unlocked to engage automatically
 - Casters equipped with 4 position swivel lock – when locked at 90 degrees with each other, they position crane more firmly than a brake
 - Lock "lead" casters and unlock trailing casters to easily move and steer crane
 - Alternate steel V-grooved casters are available for use on angle iron track
 - Completely portable – Stress-proof steel pins with locking rings provide quick assembly and disassemblyCondition: Used. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$5,000.

8. **HD-30G HE System Technologies Screw Air Compressor** 30 HP, 22KW, 3.2 CUBIC METERS / MINUTE AIR FLOW CAPACITY, approximately 2,100 lbs., 7.5' L X 2.6' W X 5.5' H. Tank not included. Condition: Used. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$7,500.
9. **Ingersol Rand 30HP Screw Compressor** 60 HZ, Model 22069132 Dryer, Serial # 3449060005, Weight: 128 lbs., Oil cooled. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$9,000.
10. **Lincoln Idealarc AC/DC250 Arc Welder** The Idealarc® 250 is a single phase AC/DC constant current arc welder. Mig and spool gun included. Designed for stick welding, it may also be used for TIG welding. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$2,000.
11. **Donaldson UltraFilter SL R134A** 308 lb. of refrigerant. Model # UC-0140SP. Manufacture date: 2005. PSL 150 psrg. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$10,500.
12. **Donaldson UltraFilter SA R134A** 308 lb. of refrigerant. Model # UC-0140SP. Manufacture date: 2003. Location: Harrisburg PA. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$10,500.
13. **Powermatic 18" Drill Press** 115 V, 15 AMP, Model #2800, 1 HP, Single-phase. 400-3000 RPM, can be wired for 230. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$550.
14. **Generac Tow Behind Generator** John Deer Motor. Manufactured 2004. 2.4 liter turbo diesel engine. 2-Inch Ball. Fold-away Jack. Two 250 V / 50 AMP Outlets. Four 120V / 20 AMP Outlets. 480V hookup. Crane hook on top. Hours: 1,294.5. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$12,500.
15. **Milwaukee Panel Saw 8" Blade.** Cuts Vertically or Horizontally. Free local pick up – loaded onto your truck or shipment can be arranged for additional cost. \$1,000.
